

# SOFTY MODULAR SOFA

normann  
COPENHAGEN

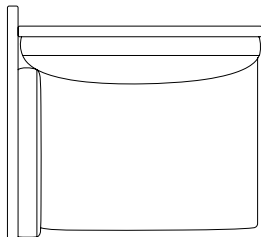

## A FRAME OF COMFORT

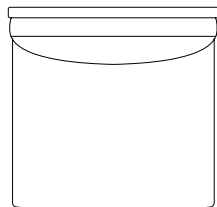

Softy Modular Sofa is a celebration of comfort, designed with an inviting, airy softness that is both visual and physical. Built around a minimalist frame, the sofa consists entirely of plush cushions—back, seat, and armrests—creating a deeply comfortable and enveloping seating experience. Fully upholstered down to its legs, Softy has a seamless and gentle expression that integrates effortlessly into a variety of interiors.

With six modular components that connect seamlessly via discreet hook brackets, Softy is highly adaptable to different spaces and needs. Whether used as a compact two-seater or a large sectional, its refined aesthetic and inviting comfort make it an ideal addition to modern living spaces.

## PRODUCT FACTS

### Description

Softy Modular Sofa combines a minimalist frame with an invitingly soft design, offering a deeply comfortable seating experience. Fully upholstered, including its legs, the sofa maintains a seamless and cohesive expression. Its modular system includes six different components, which can be easily linked via discreet connecting brackets, allowing for versatile configurations suited to any space.

### Designer / Year Of Design

Simon Legald / 2025

### Material

Wooden Frame is made of FSC™ certified (FSC-C163461) wood and wood from other controlled sources. Foam has been applied to the wooden frame. Inner cushions with PES 100 % filling. The sofa is upholstered in the chosen textile.

### Construction

Softy can be built from 6 different modules and consists of a solid wooden frame, made of FSC™ certified (FSC-C163461) wood and wood from other controlled sources. The seat features high-resilience foam (HR3737) combined with layered foam types (VB2540, VB3040, VB3050) for lasting comfort and support. A wadding and non-woven interlining provide additional structure and softness, while the inner cushions are made of 100% PES for a plush feel. Modules are connected securely using discreet connecting brackets, allowing for flexible configurations.

### Maintenance

Textile: Clean with textile or upholstery cleaner. Leather: Clean with damp cloth. Use warm water with soap flakes. Frequent vacuuming with a soft fitting is recommended for both textile and leather to preserve color and appearance.

### Tests & Certifications

FSC license code: FSC-C163461
